Notice to principal is notice to agent; notice to agent is notice to principal;

15th September 2022

Greetings Michael (a man sometimes acts for a service corporation)

This is a Notice for High Treason and the Disc enclosed should be viewed read and understood and to continue when High Treason is evidenced will only mean one thing and that is everyone working for this service corporation known as the Leicestershire police are complicit. Following orders didn't go down well the last time it was used as a pathetic excuse see the Nuremberg trials we the people have had enough of this corruption, Treason and High Treason being committed by public servants in public office as we the people own them by paying for them via unlawful taxes and therefore we the people have the right to make these claims.

It is no good thinking all can hide behind a corrupt legal system of slavery using the colour of law to deceive living man and woman, ignorance of the Law is no excuse when it is your job to know the difference and you clearly do not. Now it has been brought to your attention and should you fail in your duties to we the people it will be taken as all are complicit in causing this High Treason and Genocide on your own people.

All words herein as i define them as defined in the Oxford dictionary of English.
